

Libby Westra (she/her) has had a love for dance since she started ballet in second grade at Fox Cities Dance Academy in Appleton, WI and later joined Makaroff Youth Ballet. Her love of dance has taken her to New York for The Ailey School summer intensive, Milwaukee for Milwaukee Ballet summer intensive, University of Iowa, where she received her B.A. in Dance and San Francisco for the Alonzo King LINES Ballet Training Program.

After graduation, she moved to Chicago and began dancing as an apprentice with Inside Chicago Dance. In 2017, she joined Aerial Dance Chicago where she currently dances, taking her passion to new heights and enjoying being a part of the vibrant Chicago dance scene. She also teaches and choreographs in the Chicago suburbs. In 2018, she began exploring a new passion and opened an Etsy shop called [Holidayzical](#), where she has sold over 2,000 punny greeting cards. She hopes you enjoy these coloring pages, the labor of her love of dance, art, and the importance of showcasing diversity and inclusivity.
